"Let your head save your heels!" she liked to repeat. Now, isn't that just what a checking account does? Saves many a trip all over town paying bills in cash.

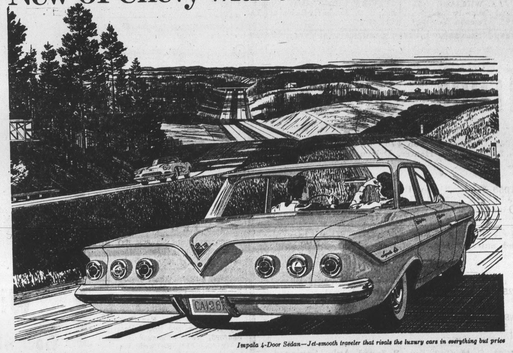
New '61 Chevy with *Jet-smooth* ride!



Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds up to less sway, less jounce, less dip, less dive, less tilt, less noise, less . . . well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. *Voilà*, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.
